

"This personal care home raises the bar in care and compassion. Residents are treated like family members given the respect and dignity they deserve." - J.D.

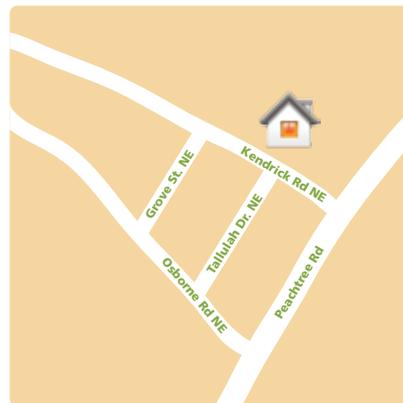

Safe Haven at Lenox Park

1137 Lynmoor Drive, Atlanta, GA 30319
(404) 235-7733

Safe Haven at Brookhaven

1286 Kendrick Road, Atlanta, GA 30319
(404) 846-9133

It's a *home*,
not a facility.

Safe Haven homes are a single story with a simple, open floor plan and large hallways for easy

maneuverability. There are six private suites that are available furnished or unfurnished. We've also added a sophisticated ambiance to our home which includes amongst other things: elegant crown molding in each of our spacious all hardwood rooms, a coffered ceiling in the grand room, granite counter-tops, state-of-the-art chef's kitchen and tile bathrooms.

"We were thrilled to find SH. They are the complete package and met all of dad's needs with no surprises and phenomenal service. I'm so glad that dad was able to receive loving attentive care from capable trained staff."

- E.M.

Our *Vision*

Exceptional Care and *Peace of Mind* that you can count on

Relationships

Safe Haven's staff looks forward to being engaged in many aspects of a resident's life – from watching a film or playing games to even assisting with back yard barbecues. With only six residents, it's only natural that the staff and residents will form strong

relationships, just as if they were living in a traditional home setting.

The Comforts of Home

We offer the convenience of proximity. Residents move comfortably around their home. Dinner is just a few steps

across the living room, not up in the elevator and down a long hall. Family style meals are prepared in their own residential kitchen and after dinner residents may relax outside on the patio or by an elegant fireplace.
